A/20

**ROOTS® Healthy Start® Tablets** are used to fertilize trees and shrubs for up to two years without reapplication. The tablets contain fertilizers in both slow-release and soluble forms from a combination of both chemical and organic sources. These are blended with humates and select beneficial rhizosphere bacteria that can improve fertility in the root zone.

**DIRECTIONS FOR USE:**

Measure the root ball diameter. For each foot of diameter use about 2 tablets. Space the tablets equally around the perimeter of the root ball, to a depth of about 2 inches.

See inside box for more complete instructions based on other parameters.

**Contains no sewage sludge or manure ingredients.**

**Hazard Statements:**

Harmful if swallowed.  
May cause respiratory irritation.

**WARNING**

**Precautionary Statements:**

Wash hands and exposed skin thoroughly after handling.  
Do not eat, drink or smoke when using this product.  
If in eyes, rinse with water and seek medical attention if symptoms persist.  
Rinse mouth.  
IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell.  
Store locked up.  
Store in a well-ventilated place.  
Keep container tightly closed.  
Dispose of contents/container properly as required by law for waste pesticides.  
Keep out of reach of children  
Precautionary Statements for disposal - Dispose in accordance with all federal, state and local regulations.
